

Dear Students

We hope that you and your family are safe and healthy. We wish to inform you that considering the pandemic situation the management of the college allows you to deposit the current semester fee in 2-3 easy installments as per your convenience. However you would need a prior consent of the concerned HOD for the same. The last date of fee submission has also been extended to August 8, 2020.

You are therefore requested to send in your application for the consent of the HOD, So that your fee is paid before the last date. However please also note that all dues of the fee from previous semesters must be cleared by you.

Regards

JIMS Team
